## The Cultural Capital of NH

**Something great is going on in Concord, NH.** This state capital is becoming the cultural center of the Granite State.

After a \$14 million dollar redo of its historic Main Street that included the expansion of sidewalks and installation of public art, the city seems to have hit the destination trifecta – a host of new eateries, cultural venues and shops.

Downtown boasts a boutique movie theater, 3 performing arts centers, music school, art school and a public theater. Upcoming local artists often play and preform in the many bars and restaurants that make up the city's vibrant dining scene.

#### Public Art

**Concord is a place of art and artisans.** From local jewelry and craft shops, to galleries and the League of NH Craftsmen.

And now, the City of Concord and the Greater Concord Chamber of Commerce have created Concord's Art on Main program, an annual, year-round outdoor sculpture exposition that enlivens and enhances Main Street.

Mixed with Concord's community murals and historic statues, it creates an **open-air gallery that is free to enjoy every day**.
